Meeting Agendas	
25 September 2025	
1	Confirmation of the Next (29th) host country
	<ul style="list-style-type: none">▪ During the previous meeting, Malaysia was identified as a strong candidate for hosting the next conference.▪ Further discussion is required regarding Malaysia's hosting arrangements and related matters.▪ Malaysia will conduct internal coordination on this issue and will notify the member countries once the hosting decision is confirmed.
2	Possible Themes of the ACC for the next conference
	<ul style="list-style-type: none">▪ The theme of the 28th conference was <i>Smart Construction</i>.▪ It is hoped that the next conference will also select a timely and relevant theme that allows for in-depth discussion.▪ Key topics currently facing the construction industry include climate change, green energy, sustainability, aging infrastructure, and women's

	<p>participation.</p> <ul style="list-style-type: none"> ▪ The next host country is encouraged to consider these themes when deciding on the main topic.
3	Discussion on Declining Number of Participating Countries
	<ul style="list-style-type: none"> ▪ The number of participating countries has been steadily decreasing, and measures to address this trend are necessary. ▪ Some countries have lost their contact points, making it difficult to share conference information. ▪ Maintaining participation and communication among member countries is a crucial issue. ▪ Efforts should be made to sustain and strengthen the networking and communication channels among participants. ▪ It is also important to encourage participation from construction companies and related organizations to enrich the conference. ▪ To revitalize the conference, broader involvement from various institutions in each country is essential.
