The 29th ACC will be held concurrently with the International Construction Week (ICW) 2026 at the same venue and within the same timeframe.

ICW 2026 is a flagship international platform spearheaded by the Ministry of Works Malaysia (MoW) in partnership with CIDB Malaysia, aimed at advancing thought leadership and strategic collaboration within the global construction supply chain. The event convenes senior government officials, industry captains, academia, and professionals from across the region and beyond to deliberate on emerging trends, policy directions, innovation, and sustainable development in the construction sector. Its curated programme encompasses high-level conferences, technical forums, exhibitions, industry dialogues and business networking sessions designed to foster meaningful partnerships and cross-border cooperation.

In this regard, we are pleased to extend an invitation to all AsiaConstruct members to participate in this internationally recognised platform alongside the 29th ACC. We would also greatly appreciate it if your organisation could kindly disseminate this invitation to relevant industry players, stakeholders, and member organisations within your respective countries, and encourage their participation in ICW 2026 to further enhance regional collaboration and industry engagement.

Together with this notice, we are pleased to enclose the ICW 2026 brochure for your kind reference. For further information, you may also visit the official ICW website at <https://icw.my>.

Please note that the programme details and schedule will be updated from time to time. Any revisions or additional information will be communicated through official notices to be shared in due course.

We would greatly appreciate it if you could kindly confirm your country's intention to participate in the 29th ACC by March 31, 2026. Should a final decision not yet be available, a provisional response would be highly appreciated.

Additionally, if there is a more suitable representative to serve as the Point of Contact (PoC) for this conference within your organization, we would appreciate receiving their name, designation, contact number and email address to facilitate future correspondence.

Please be informed that the organizing committee regrets that we are unable to cover participants' expenses such as airfare and accommodation. Delegates are kindly requested to arrange and finance their participation through their respective organizations.

Should you require any further clarification, please do not hesitate to contact Mr. Muaz Md Farid, (email: muazfarid@cidb.gov.my).

We look forward to welcoming you to the 29th AsiaConstruct Conference in Malaysia.

Yours sincerely,
Malaysia Secretariat of AsiaConstruct Conference
